The Company shall ensure that, upon completion of the Buy-back, the public shareholding does not fall below the minimum level prescribed under the applicable securities laws. The Company shall verify the final shareholding position based on the records of the Registrar and Transfer Agent and the depositories and shall take all steps required for continued compliance with the minimum public shareholding requirements.

11. RECORD DATE AND ELIGIBILITY

11.1 The Buy-back Committee has fixed Wednesday, November 18, 2026 as the Record Date for determining:

(a) the names of shareholders / beneficial owners eligible to participate in the Buy-back; and

(b) the entitlement of such shareholders.

11.2 All shareholders / beneficial owners holding Equity Shares as on the Record Date shall be eligible to participate, subject to applicable law and the non-participation confirmation of the Promoters / Promoter Group / persons in control. The Letter of Offer and Tender Form containing the entitlement and detailed procedure shall be dispatched / disseminated to Eligible Shareholders in accordance with the SEBI Buy-back Regulations.

11.3 As required under the SEBI Buyback Regulations, the dispatch of the Letter of Offer will be through electronic mode only, within 2 (two) working days from the Record Date and if any Eligible Shareholder requires a physical copy of the Letter of Offer, a request to be sent to the Company or the Registrar to the Buyback and the same shall be provided.

11.4 The Equity Shares proposed to be bought back by the Company shall be divided into two categories: (a) reserved category for small shareholders (defined below) and (b) the general category for all other Eligible Shareholders.

11.5 As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "Small Shareholder" is a shareholder of the Company who holds Equity Shares whose market value, on the basis of the closing price of the Equity Shares on NSE having the highest trading volume as on the Record Date, is not more than Rs. 2,00,000/- (Rupees Two Lacs only). For the purpose of classification of a shareholder, as a "Small Shareholder", multiple demat accounts having the same Permanent Account Number ("PAN"), in case of securities held in the demat form are to be clubbed together.

11.6 Based on the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder in the Buyback.

11.7 In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the small shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common PAN for determining the category (Small Shareholder or general) and entitlement under Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form (if applicable), where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of physical shareholders where the PAN of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/ trusts, insurance companies etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Company's Registrar and Share Transfer Agent (the "Registrar" or "RTA") as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

11.8 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.

11.9 The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate, in part or in full, and receive cash in lieu of Equity shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of other Eligible Shareholders, if any.

11.10 The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.

11.11 The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in the SEBI Buyback Regulations The settlement of tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI Circulars. If the Buyback entitlement for any shareholder is not a round number, (i.e. not a multiple of 1 (One) Equity Share) then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The Small Shareholders whose entitlement would be less than 1 (One) Equity Share may tender additional Equity Shares as part of the Buy-back and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

11.12 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent to the Eligible Shareholder(s) as on the Record Date. Eligible Shareholders which have registered their email ids with the depositories / the Company, shall be dispatched the Letter of Offer through electronic means. If Eligible Shareholders wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or Registrar to Buyback at the address mentioned at paragraphs 19 and 20 below.

Notes to Annexure A

1. The paid-up equity share capital and reserves used in the above computation have been derived from the audited standalone and consolidated financial statements as at and for the year ended March 31, 2026, audited by us, together with the underlying books of account, general ledger and reserve schedules furnished by the management.
2. For the purposes of Section 68 of the Act, "free reserves" includes the securities premium account by virtue of Explanation II to Section 68. The Capital Redemption Reserve of ₹2.50 lakh and the share-based payment reserve of ₹10.89 lakh have not been considered as free reserves for the above computation. General Reserve is Nil.
3. The component balances used for the above computation, based on the audited financial statements and underlying March 31, 2026 books / reserve schedules, are: securities premium account ₹879.70 lakh; Capital Redemption Reserve ₹2.50 lakh; share-based payment reserve ₹10.89 lakh; surplus / retained earnings ₹10,428.86 lakh on a standalone basis and ₹11,237.83 lakh on a consolidated basis.
4. The totals and statutory limits have been computed using the underlying unrounded balances. Accordingly, a difference of ₹0.01 lakh may arise in arithmetical addition of individually rounded line items presented above.
5. The maximum permissible capital payment under Regulation 4(i) is determined with reference to the standalone or consolidated financial statements of the Company, whichever sets out the lower amount. Accordingly, the applicable 25% ceiling is the standalone amount of ₹3,081.65 lakh (₹30.816475 crore).
6. The proposed Buy-back comprises up to 14,75,000 equity shares at ₹162 per equity share, aggregating to an amount not exceeding ₹2,389.50 lakh (₹23.8950 crore), excluding transaction costs. The proposed number of shares represents approximately 2.8978% of the existing 5,09,01,500 fully paid-up equity shares and is within the applicable statutory limit on the number of equity shares that may be bought back in a financial year.
7. Upon purchase and extinguishment of the maximum 14,75,000 equity shares, the nominal value of equity shares extinguished would be ₹29.50 lakh. To the extent required under Section 69 of the Act, an amount equal to such nominal value shall be transferred to the Capital Redemption Reserve account from eligible sources.
8. The unaudited standalone and consolidated financial results as at and for the quarter ended June 30, 2026 were subjected to limited review by us and we issued unmodified review conclusions dated August 11, 2026. Such June 30, 2026 financial results have been considered for the limited purpose of assessing the Company's more current financial position, liquidity and solvency and have not been used to determine the free-reserve base for the permissible capital payment set out above.

This Annexure A is referred to in paragraph 9 of our Independent Auditor's Report of even date and forms an integral part thereof.
